The most extraordinary discovery in the World is the Gr at Arabian Remedy for man and Boast.

H. G. FARRELL'S CELEBRATED ARABIANLINIMENT

IT IS AN ERRONEOUS IDEA that diseases cannot be cured except by taking large quantities of medicines into the stomach, in a great many cases of which much injury is done, aithough the disease in point be actually cured. The coals of the stomach by continued use of nanseating mixture, frequently become so much disordered that the digest the function is surrously injured—the result of which is dyspepsia, nervousness, choics, alternate diarrhea and costive ness, thatulence, nightmare, etc., etc. Would it not, therefore, he very desirable to possess a remedy, which being apphed externally would excite the absorbeats to increased a tion, and thus carry off through this medium, the deleterious principle, which is the direct cause of the disease? Surey every thinking man will admit that this would not only be the most pleasant, but by far the safest means to effect the desired end. The almost superhuman cures performed by the Arabian physicians in the days of old were mainly effected by this course of treatment, and the ingredients of which H. G. FARRELL'S CELEBRATED ARA-BIAN LINIMENT is composed, are extracted from rare plants peculiar to Arabia, This great Limment (which is now to be had of most respectable druggists and merchants in every town in the United States) is daily affecting cures which seemed beyond the power of medicine to controlconsumption, bronchitts, and liver complaints in their first stages, nervous affections, indigestion, enlargement of the spicea, scrofulous tumors, goitre, etc., etc., are frequently cured, and always relieved by its use. It is unsurpassed as anodyne—relieving severe pains in a few minutes after its application, it soothes the irritated nerves, and produces that delightful tranquility so grateful to the nervous invalid. Sprains, bruses, wounds, burns, sore throat, chilblains, rheumatism, sun pain, etc., are specially cured by it, and ternal application, it is an effectual remedy.

Look out for Counterfeite! The public are cautioned against another counterfeit, which has lately made its appearance, called W. B. Farrell's Arabian Liniment, the most dangerous of all the counterteits, because his having the name of Farrell, many will buy It in good faith, without the knowledge that a counterfeit exists, and they will perhaps only discover their error when the spurious mixture has wrought its evil effects.

The genuine article is manufactured only by IL G. Farrell, sole inventor and proprietor, and whole sale druggist, No. 17 Main street, Peoria, Illinois, to whom all applications for Agencies must be addressed. Be sure you get it with the letters it. Esq., No. 137 Second Street, New York. SPARTA, June 80, 1849. Dear Friend Stewart:- I have been home now just two months. When I last saw you I had but little hopes of ever getting any better. But I have now the pleasure of thanking you for recommending me to take Dr. Rogers' Syrup of Liverwort, Tar, and Canchalogua. I got a dozen bottles of it and took home with me, determined to make a fair trial of it. as I had done with everything else. I have only taken four bottles of it, and I must say it has done me more good than any other medicine I have ever taken. On my first taking it, it increased the expectoration, and I raised a great deal of bloody matter from my lungs. But that has now ceased, and so has my cough, nearly. Leough but little now, and expect soon to be entirely free from it. I consider it an invaluable medicine, and shall recommend it to all who are af-

flicted with a cough or diseased lungs. I let a young lady, who had the Consumption, and had bled a good deal from the lungs, and doctored several months with our Physician, but grew worse, have a bottle of it, and it cured her. It acted almost miraculously in her case.
Your sincere friend, F. M. CORY.

Bleeding at the Lungs Cured! Statement of Mr. A. Larg, Baker, No. 388 Pearl street, N. Y.—A few days before last Christmas I was taken unwell, and soon commenced bleeding freely at the Lungs. I called in a Homospathic physician, but his medicine did not seem to help me. I read your advertisement, and thought I would try Dr. Rogers' Syrup of Liverwort, Tar, and Canchalagua.
Before I had taken up the third bottle, my bleeding had
stopped, my cough was gone, and I felt well as usual. My
health is now good. I consider it a most excellent medicine, and cordially recommend it to my friends. [This statement was made to the proprietors, March 12th, 1850.]

I have only four bottles of the last you shipped me on hand, and I want more immediately. You will therefore please send me six dozen on receipt of this. Yours, very respectfully, E. G.
